M.U.S.T.

A close-up photograph of a person's hand holding a compass and a magnifying glass over a small, detailed map of a landscape. The hand is positioned in the center-left of the frame, with the compass held vertically and the magnifying glass held above it. The map shows various geographical features like mountains and rivers. The background is a dense, out-of-focus forest with sunlight filtering through the trees, creating a warm, golden glow.
